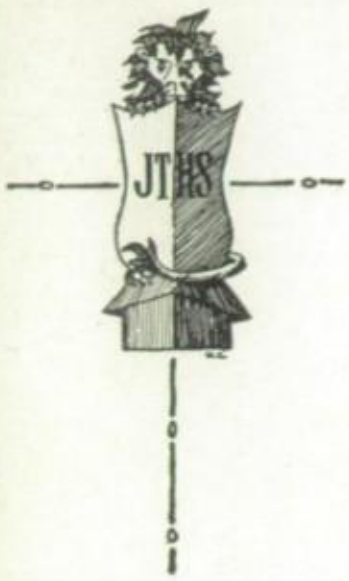
Entered as second class matter February 23, 1926, at the post office at Joliet, Illinois, under the Act of March 3, 1879.



FOREWORD

"The foundation of every state is the education of its youth," Diogenes said sixteen centuries ago.

Education lapsed with the fall of ancient nations. The pen gave way to the sword. Knights were too busy with their many wars to bother with learning. Then came the Renaissance. Francis Bacon taught his pupils to accept the truth only by experimentation. Education was spreading; again the pen was mightier than the sword.

Since that time institutions of learning have spread world wide. Joliet built the first section of its present magnificent school building in 1901. Section by section it has grown until now, with the present new unit, we have a school covering two square blocks. Joliet believes Diogenes.

ROADS

RUTH DENNING

Home ties may try to bind me down,
Dear may be my adode;
But ever I must break away
And wander down the road.
And I must be a vagabond,
The wind my only friend,
In quest of beauty I may find,
Perhaps, around the bend.

I'll follow silver ribbon roads
And gypsy roads of brown,
The crooked roads, the dusty roads
Through meadow and through town.
Footsore and weary I may be,
But many a year I'll spend
Upon an endless search to find
Delight, there 'round the bend.

And vainly all the earth-born blind
May call to me and taunt;
But I will follow all the trails,
And all the paths that haunt
The restless, pagan heart of me.
My careless way I'll wend.
At the next cure, perhaps I'll find
The gladness, 'round the bend.

As ragged as a gypsy, with
The wild songs of a fool, ---
Yet wise, from lessons taught so well
In life's straightforward school, ---
I'll live a young life, and when I
Have reached my Journey's End,
There, on that Endless Road, I'll find
The Beauty 'round the bend.

THE ART CLUB

President	Janice Clark
Vice President	Mary V. Tierney
Secretary	Audrey Hennings
Treasurer	Dorothy Densmore

The Art Club membership is composed of students who are interested in further developing their art education. The meetings are held every Monday, 7th and 8th periods, when the members work on their projects.

The club has steadily grown in membership and is responsible for the many colorful posters that adorn the halls. The club has also made the Year Book illustrations for the past five years.

The scholarship fund, which has also steadily grown in size, is earned by the members of the club doing handicraft work of all kinds.

The club is under the leadership of Mrs. Esther Richardson, who has given much time and effort in helping the students to plan their work.

THE BOOSTER BOARD

The Booster Board was organized by the Student Council in 1928. Its object is to further all the student activities that desire publicity by giving assemblies or by using other advertising mediums through the cooperation of the students. This year the plan for getting assemblies has been different than in previous years. Each member of the Board was asked to see that the organization he represented was responsible for at least one assembly. In addition to the assemblies given by the organizations represented in the Board, other organizations were asked to be responsible for some of the assemblies.

The Booster Board sponsored an assembly during the "Send the Band to Tulsa" campaign and planned the assemblies during the basketball and football seasons. Another new thing the Board did this year was to write personal invitations to the schools of the teams entered in the district and sectional basketball tournaments.

Members are Beatrice Becker, chairman, representing the music department; William Balch, the band; August Beltzner, the Blue and Gold Club; Caroline Huey, the Girls' Athletic Association; Helen Louise Wood, the Senior Class; and Warren Yemm, the Student Council.

The members for next year were elected this spring. They are: Donald Peppard, representing the music department; Robert Stephens, the Blue and Gold Club; Edward Camp, the band; Eloise Hunt, the Girls' Athletic Association; Marcus Bluth, the Junior Class; Dorothy Hultgren, Sophomore; Lilias Robertson, Freshman; and Elda Marie Gigl, the Student Council.

The faculty members are Miss Helen Anne Wright, chairman; Miss Myra Mather, Dean of Girls, and Mr. G. N. Hufford.

THE DEBATING TEAM

The first debating team was organized in 1930, and this was the first team the high school had had since 1905. Mr. M. L. Meyers, history instructor, is sponsor and coach of the group. He organized the team and taught the members the fundamentals of debating.

This year there were eight members on the debating team. The members of the affirmative side were June Erickson, Ethel Scotland, and Laura Sprague. Those on the negative side were Muriel Downey, William Pettigrew, Helen Louise Wood, Myrtle Kristal and Frank Masters. Myrtle Kristal was able to be in only one debate as her high school career ended in February.

The debating team competed with four other high schools this year, including Freeport, Elgin, Rockford and Morton High School of Cicero. Our only victories, however, were against the Cicero and Elgin negative teams. Although the debating team does not appear to have been very successful this year, it did well considering the fact that all its opponents were experienced, and debating is just a new activity in this high school.

The debating team gave their first annual banquet this year and plans to give one every year for the alumni.

THE HIGH SCHOOL FRENCH CLUB

Vice President	Viola Sorenson
Secretary	Laura Sprague
Treasurer	Betty Owen

Sponsors	Madame Babcock and Mille. Ryan

All French students who have had at least one semester in French are eligible for membership in this club. The meetings are held once a month, at which times various programs are given. Usually French games are played, and French songs sung. At all times French is used in speaking; this not only adds to the merriment but aids greatly in obtaining a profitable use of the language.

GERMAN CLUB

President	Carl Keck
Vice President, 1st semester	Everett Nelsen
Vice President, 2nd semester	Lucille Kurth
Secretary	Virginia Fahrner
Treasurer	Edward Dittmeyer
Program Committee Chairman	Harriet Switzer

For several years the German club has held its meetings the first and third Tuesdays of every month under the direction of Miss Beulah Agnew, German instructor.

The purpose of the club is to acquaint German students and those interested in German with the customs, songs, folk lore, and amusements of Germany.

A program committee was appointed this year to decide on a series of programs for the meetings. They decided that each meeting should be in honor of some German composer. His life, music, and perhaps a few anecdotes were to be told by some of the students.

The following programs were compiled by the committee: January 20, Mozart and Schubert; February 3, Mendelssohn; February 17, Handel; March 3, Johann Strauss and Richard Strauss; March 17, Bach; April 7, Haydn; April 21, Frobel and Pestalozzi; May 5, Brahms; and May 19, Wagner.

The Girl Reserves, a national organization which stresses high ideals and standards, was organized in the Joliet Township High School in December, 1928. To become an active member in this organization, a girl must pay the required dues, twenty cents a semester, and attend a certain number of meetings.

Miss Myra Mather and Mrs. Stella Henderson are sponsors of the entire organization. Other faculty members who are responsible for certain groups are: Miss Grace Clow, senior sponsor; Miss Dorothe Hudzietz and Miss Ruth Palmerton, junior sponsors; Miss Glenna Hamill and Miss Lena Dickinson, sophomore sponsors; Miss Harriet Peterson and Miss Mabel Moon, A Freshman sponsors; and Miss Verna Cooley, B Freshman sponsor.

Each class has a separate group with its respective officers and activities. Regular meetings are held on the third Thursday of the month.

Eight hobby groups have been organized by the girls of the school. A Dramatic club has been formed by the juniors under the supervision of Miss Lois Hyde. Members of the sophomore class have organized a Dramatic club called the Marionettes and have as their sponsor Miss Grace Tippet. The Freshman Dramatic club, called the J.U.G., is sponsored by Miss Marian McAnally. The Lit Lights, a literary group, with Miss Philena Clarke as sponsor, is composed of girls from the senior class. The Camera Club, a newly formed group, is directed by Mrs. G. A. Evans. There are two hiking clubs, the Knicker Bees under the direction of Miss Roxye Humphreys, and the Twice Ten Hikers, under the direction of Miss Grace Townsend. A Rifle club is sponsored by Mrs. Mildred Lauer.

The Girl Reserves have a number of annual affairs when all the groups get together. Shortly after a new semester begins a Freshman Welcome party is held. Towards the middle of the fall semester a Mother and Daughter Tea is given, and in the spring the annual banquet is held. The 1931 Banquet differed from former banquets in that it was a Mystery Banquet.

A point system, by which the members receive points for attendance at meetings, paying dues on time, helping Freshmen the first day of the semester, and taking part in meetings and programs, has been in effect since September, 1929. An emblem is awarded to a girl having 150 points. When this number is doubled, a Girl Reserve bracelet is awarded; and when a girl has 600 points a Girl Reserve ring is awarded. These awards are presented at the Spring banquet.

The girl receiving the greatest number of points and the president-elect for the coming year are sent to Camp Gray, near Waukegan, for a week during the summer vacation. Last summer Alice Heath and Helen Louise Wood attended. Harriet Switzer had the most points but she was unable to go; so Helen Louise Wood, having the next highest number of point, went in her place.

The Senior Hi-Y club is made up of juniors and seniors in High School, and meets every Tuesday evening during the school year for a dinner meeting. At each meeting a program is arranged usually featuring an outside speaker or short talks by members.

Fifteen boys represented the Hi-Y club at the State Older Boys' Conference in Aurora, November 28-29-30, 1930. Lawrence Seamans of Joliet was first Vice President.

More than 200 men and boys attended the annual Father and Son Banquet which took place early in December.

On Christmas Eve the Junior and Senior Hi-Y Clubs carolled for the Goodfellows' Club.

The annual Big Four Older Boys' Conference was in Elgin March 28 and 29. Joliet had the largest group present with a combined delegation of 42 boys.

The Date Banquet was held Friday, April 10 at the YMCA. Officers' pins were presented and dancing and entertainments made an enjoyable evening.

The Mother and Son Banquet took place May 11 at the First Presbyterian Church, with Rev. A. W. Hoffman as the speaker.

Other outstanding speakers this year were Rev. Geo. H. Olson, Dr. W. H. Macpherson, and Mr. W. W. Haggard, Mr. H. G. Warren, and Miss Dew Dailey of the J.T.H.S.

The Junior Hi-Y club was organized last fall through the efforts of Mr. C. G. Thomson of the YMCA, and the faculty of the High School. The club is made up of sophomores and freshmen and meets every Monday evening. Once a month a dinner meeting is held with an outside speaker.

Although they have only been organized this year, they have been very active and a fairly large membership has been built up.

At the state Older Boys' Conference last November in Aurora the club was represented by several delegates.

On Christmas Eve last year, members of the Junior and Senior Hi-Ys carolled for the Goodfellows' Club Charity fund.

Joliet was represented by 42 delegates at the Big Four Boys' Conference, March 28 and 29 at Elgin, of which almost half were members of the Junior Hi-Y.

The Date Banquet, which is similar to that of the Senior Hi-Y, was held May 9 at the YMCA. Several couples attended and enjoyed an entertaining evening.

All the work of editing the paper rests in the hands of the A Journalism students, under the direction of Miss Mabel F. Hunt. Each semester a new editorial staff is chosen. From this same group of journalists, the year book staff is also selected. This staff, with the aid of the rest of the A class conducts the editing of the Year Book.

The B Journalists, in their semester of work, are taught the theory and fundamentals of journalism. They also assist some in the work on both publications.

NATIONAL HONOR SOCIETY

Scholarship, leadership, service, and character are the four qualities upon which membership for the National Honor Society is based. The purpose of the organization is "To create enthusiasm for scholarship, stimulate the desire to render service, to promote leadership, and to develop character in the students."

Each year fifteen per cent of the senior class is chosen. Five per cent of these are chosen during their junior year, and the remaining ten per cent during their senior year.

The present Honor Society consists of sixty seniors and twenty juniors. Nineteen seniors were chosen during their junior year, eighteen during the first half of their senior year, and twenty-three during the last half of their senior year. The juniors who are members represent the first five per cent of the 1932 class.

THE LIBRARY CLUB

For three years now, Miss Alice Stevens, the high school librarian, has been the leader of a library club.

The purpose of this organization is to give students practical experience in library work. The members learn to perform many of the duties of a librarian; they mend books, file cards, paste, arrange shelves, and do other tasks.

At present there are eleven members, consisting of only juniors and seniors. The membership is limited because of the kind of work done and the time given by the members of the club. Some of the members are planning to go on with the work after high school and become librarians; and some are doing it because they enjoy it.

The Library Club meets once a month in the library. There are no officers as the type of work done does not necessitate them.

LUNCH ROOM CLUB

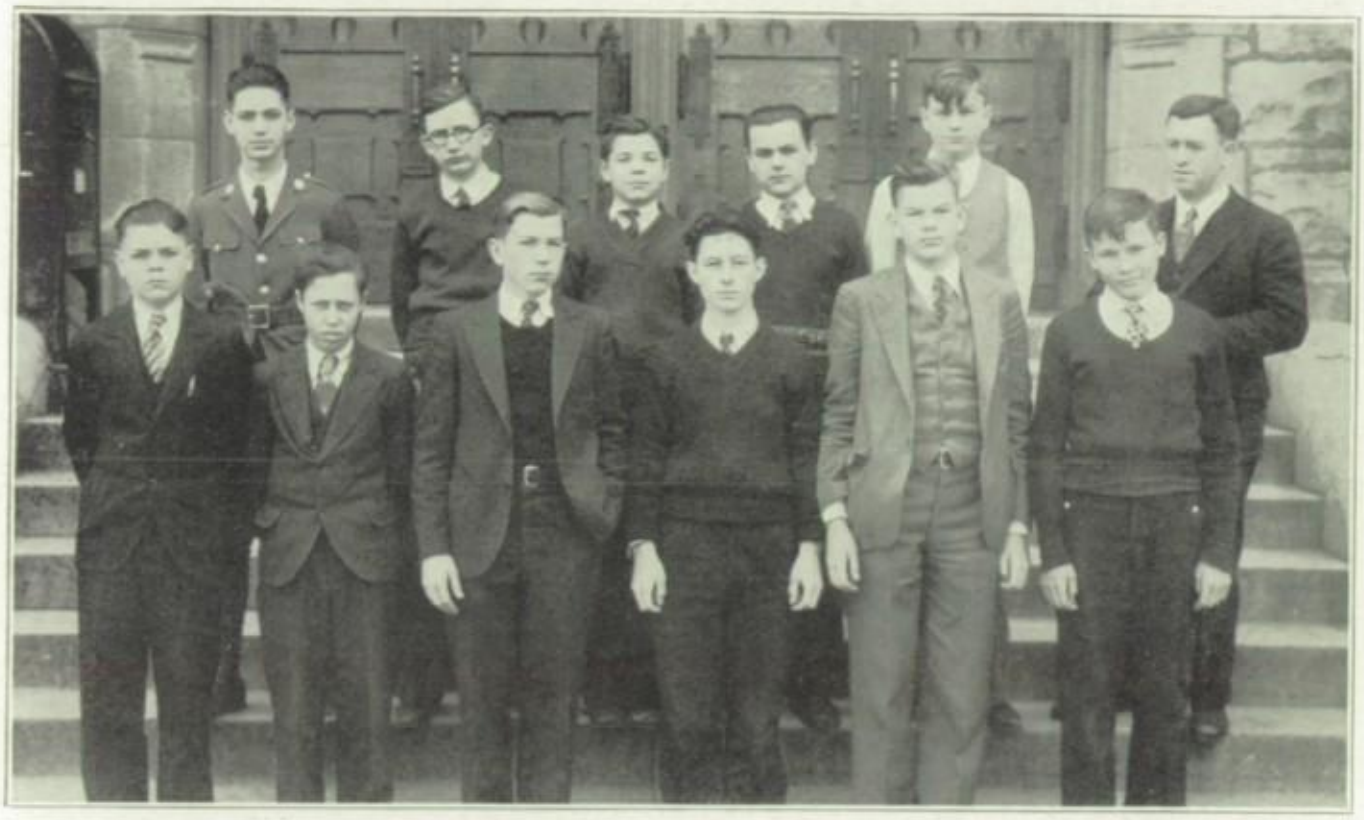
Chairman ..... Chester Attaway
Faculty Advisor ..... Miss Helen Humphrey

The Lunch Room Club is an organization whose main function is service to the student body. It is a group of students chosen for their efficiency, alertness, and courtesy, who work during the noon hour, daily in the high school cafeteria. Their own lunch is the only compensation allowed for this service.

At present there are three luncheon periods, the eighth period for extra-curricular activity students and the ninth and tenth periods for the remaining student body.

The Lunch Room is operated on a non-profit basis, leaving no surplus after overhead expenses are paid.

The members of the club are Chester Attaway, Helen Brereton, Homer Bush, Blanche Christensen, Teckla Dahlgren, Frances Dale, Genevieve Dwyer, Clyde Eddy, Vivian Farrell, Bernice Fox, Ernest Gray, Mary Grose, Lyla Hackenberg, Hazel Last, Nellie Peters, Robert Rose, Alec Stewart, Cornelia Vreuls, Erma Whalen, Evelyn Wilson, Helen Smith, Bennie Powell.



MODEL AERO CLUB

President	Marcus Bluth
Vice President	Julius Dyblie
Secretary-Treasurer	James Hamilton
Official Designer	Robert Zitske

The aim of the Model Aero Club is to encourage the interest in model airplane construction and promote interest in aviation among high school boys.

This year has been the banner year of the club. The average endurance time of the model planes built by the members has been greatly increased. Many records of long standing in the club have been broken this year, due to better designing of the models and greater skill on the part of the operators. The club hopes by its effort to make many boys "air minded."

Ye Modern Stenos Club is composed of second year shorthand and typewriting students.

The purpose of this club is to correlate our commercial training with the demands of actual business, to create greater interest in secretarial work, endeavoring by such means to raise and maintain a higher standard of efficiency, and to encourage a social spirit among the members of the advanced commercial classes which will be lasting and beneficial.

The meetings are held on the second Monday of each month and vary from business and educational to social programs.

The club has sponsored a picnic, shorthand contest, hobo party, and a semi-formal dance at the close of the semester.

Sponsor	Miss Lena Dickinson

And now for the orators of our school! They were busy as usual this year. Under the direction of Miss Lena Dickinson they helped instill pep into the students for football and basketball games. Not soon to be forgotten is the pep assembly in which the king and queen of the kingdom of Joliet presided.

The annual extemporaneous speech contest which is open to all juniors and seniors was won by two eloquent members, Donald Kroesch and Ethel Scotland. Many of the participants expected never to survive but are, we notice still alive, although weak.

The Senior play which is to raise money for the Senior Class Memorial is also put on by members of this Club and is under the direction of the sponsor.

Throughout the year members were kept busy with debates, speeches, and orations endeavoring to improve their speaking abilities. As the speaking contest showed, some of them succeeded admirably.

The last get-together of the club will be at the annual banquet in May.

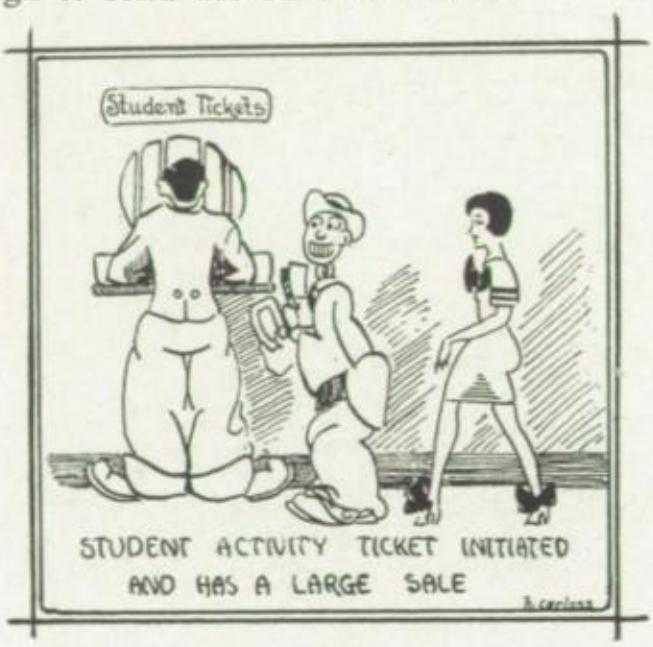
The first year of the Student Activity ticket, which originated last semester proved to be very successful, and revisions were made by the council for next year.

The Council sponsored an all-school dance in the spring; they also were in charge of the campaign to send the band to Tulsa.



SOCIAL SCIENCE CLUB

President ..... Helen Louise Wood
Vice President ..... L. Marie Marwick
Secretary-Treasurer ..... Sidney Herzog
Sponsors ..... Miss Bess Barns, Mrs. Stella Henderson,
Miss Dew Dailey, Mr. G. A. Evans, and Mr. McReynolds

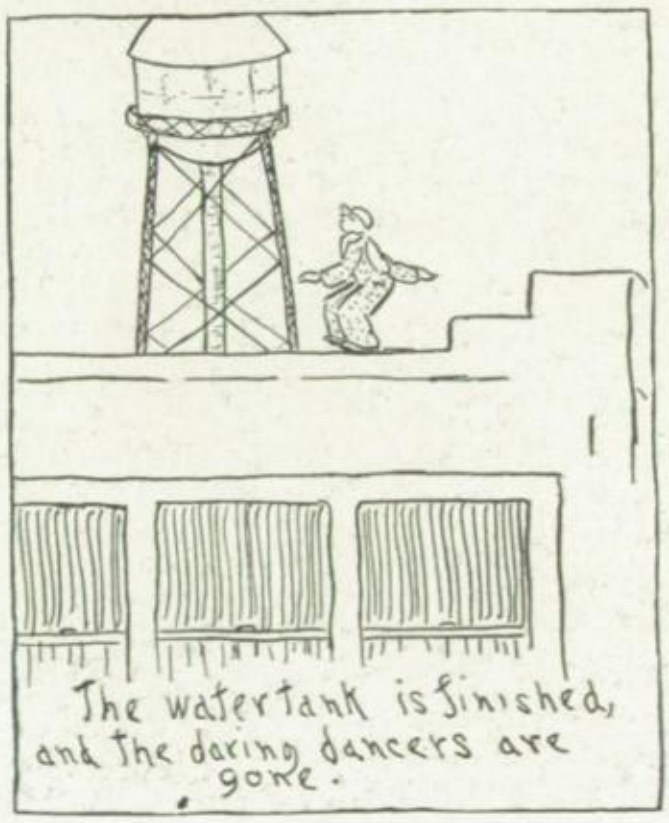
The Social Science Club is composed of students who are interested in the study of social problems outside of the classroom.

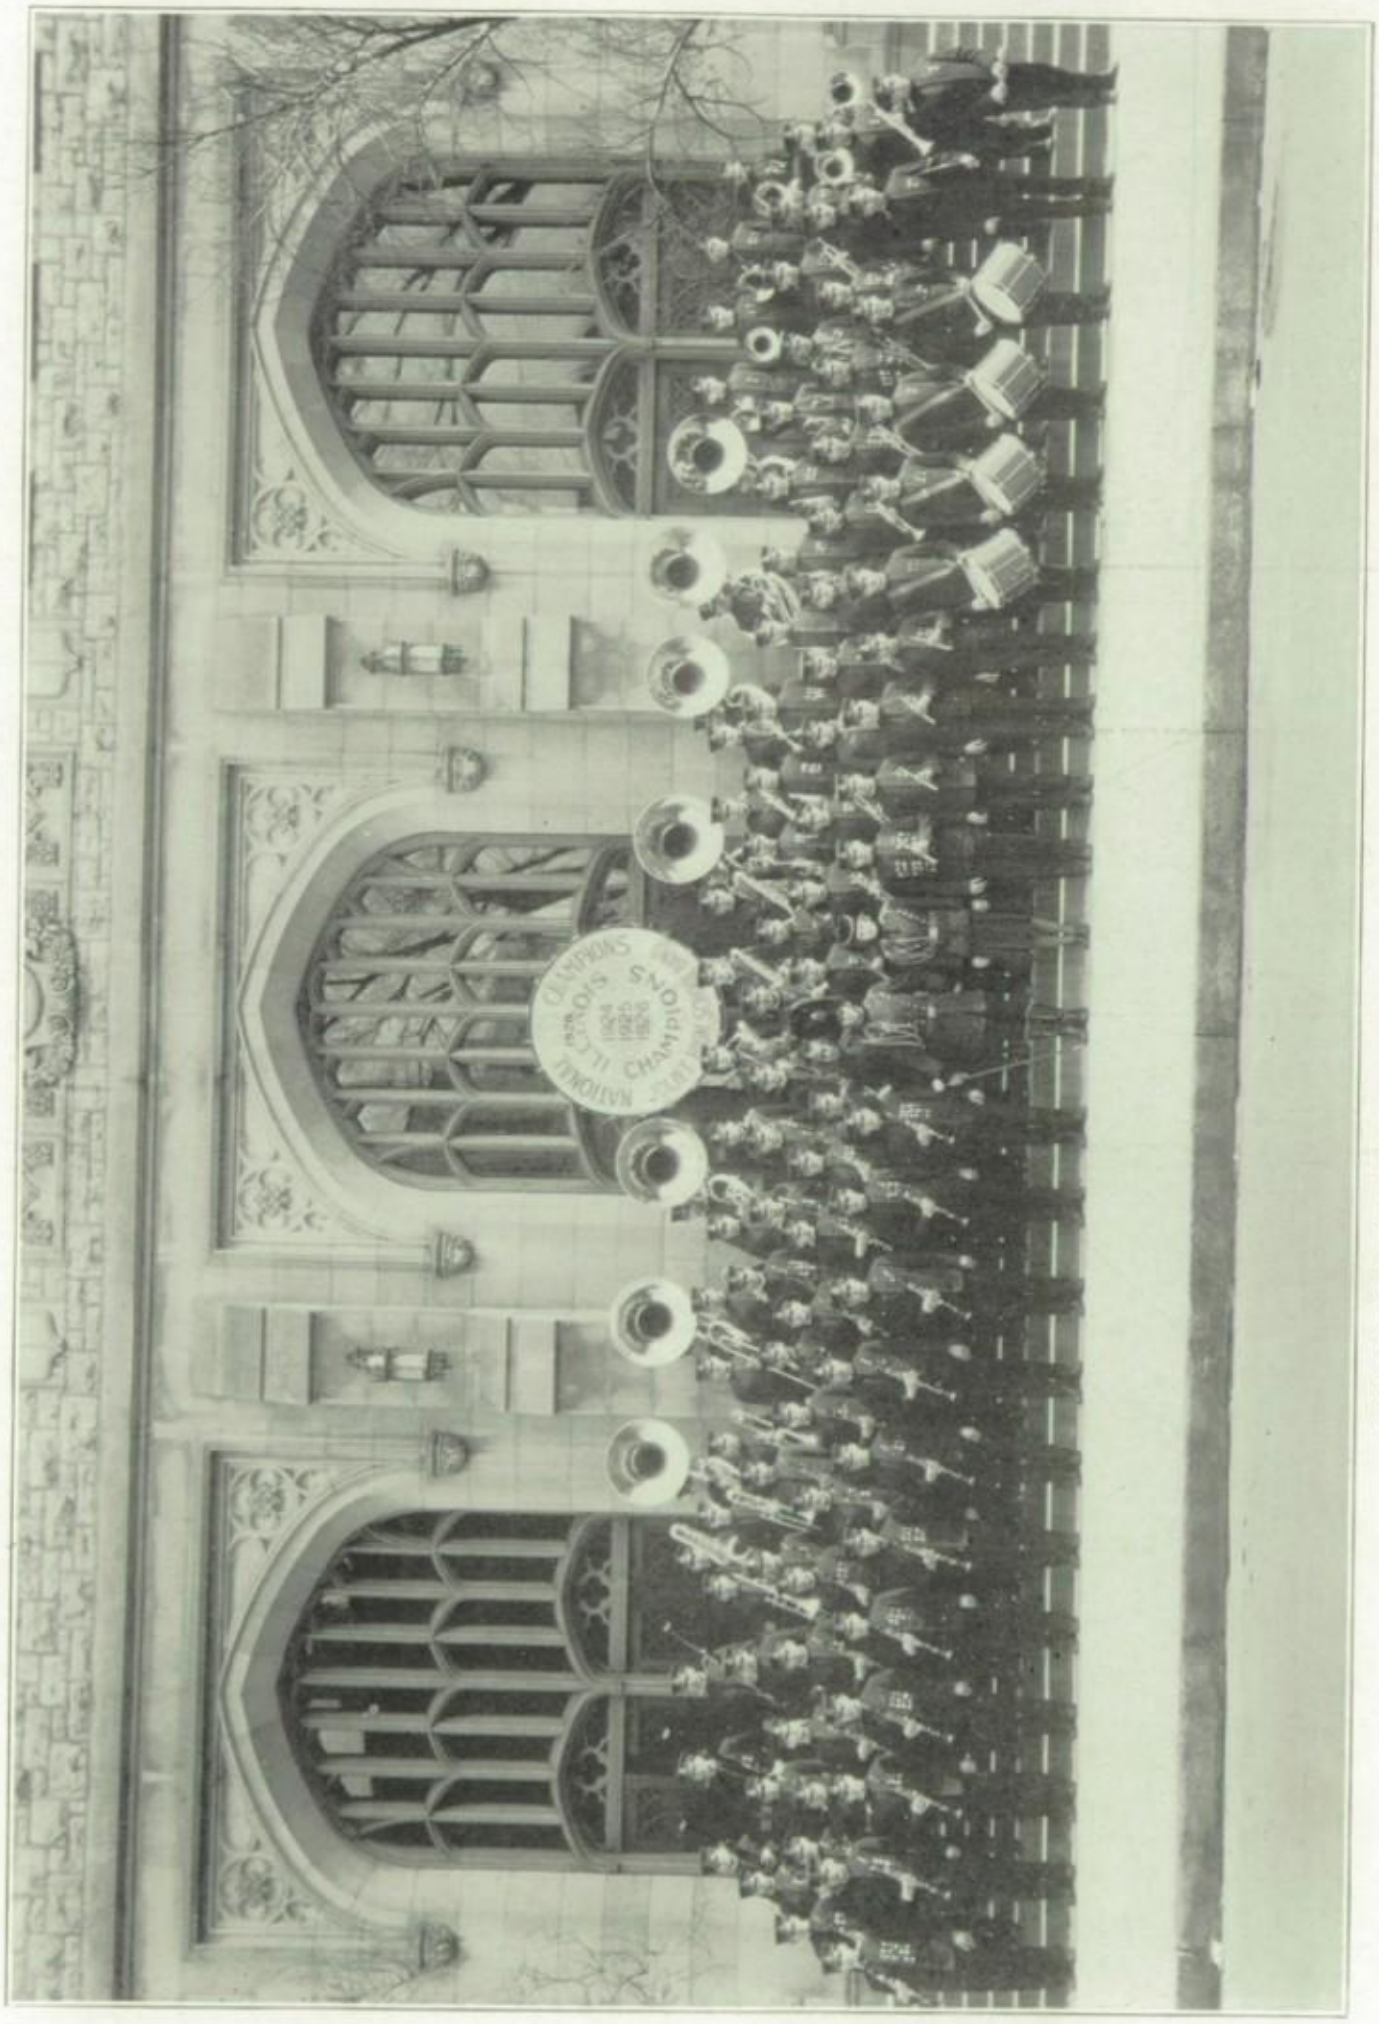
The only rule of eligibility required in order to become a member is that a person shall either be in the American History or the Social Economics classes or shall have taken the subject previously.

Mr. H. G. Warren was the speaker at the first meeting. His topic was "Calle Espana" which was about peasant and higher class life in Paraguay. At the next meeting Dr. Paul L. Schroeder, the head of the Illinois Institution for Juvenile Research, was the speaker. He explained his work in the department. Dr. Lewis Woodruff was speaker at one of the meetings. He talked on "Dr. Grenfell's Work in Labrador."

The meetings of the club were held every other Monday at Davidson's Cafeteria. The members enjoyed dinner together, and the remaining time was given to speakers and entertainers.

We hope that the Social Science Club will be a lasting organization, because it has stimulated interest and co-operation with other organizations in the community that are interested in social improvement.





THE NATIONAL CHAMPIONSHIP BAND

THE BAND

Director	A. R. McAllister
Assistant Directors	G. V. Hendrick, F. M. McAllister
President	A. Clinton Leach
Vice President	Robert Brehm
Secretary	John J. Clemens, Jr.
Treasurer	Donald Griffin
Sponsor	Margaret Wiswell

With a record of three successive state and national victories standing back of the band, it went to Denver as a guest in May, 1929.

In May, 1930, the band again entered national competition but was defeated by Senn by a close margin. This contest was held in Flint.

September 12 the band played in a massed band concert with all other organizations of the city. December 5 of the same year saw the band in another of its annual fall concerts.

A solo recital by the soloists and ensembles was presented March 20 of this year, and a week later the annual classic concert was given.

April 10 the soloists and ensembles journeyed to St. Charles for the district contest. Out of nineteen contestants, Joliet got ten first, seven seconds, and one third. April 11 the entire band made the trip to play a short concert to end the contest.

State competition occurred April 23, 24, and 26; and the band again had favorable results with eight firsts, seven seconds, and one third, all of which will enter the national solo contest. Awards at the Urbana State contest are: first prizes, Robert Hoffman, B-flat clarinet; Edward Thurlow, baritone; Harold Leonhardt, tuba; Donald Griffin, alto clarinet; Julius Turk, bass clarinet; Robert Cooper, piccolo; Norman McLean, flute; and Raphael Bourrie, oboe. Second places went to Clayton Schorie, tenor sax; John J. Clemens, Jr., E-flat clarinet; Wesley Bode, trombone; Eugene Wright, snare drum; Frank Rich, french horn; and Joe Yaggy and George Reed, tie on cornet.

April 27, 28 and 29 the band made its annual appearance on the Rialto stage to aid the "On to Tulsa Fund." April 30 the director made a trip to Tulsa by airplane to plan the national contest which the band entered May 21, 22 and 23.

Button day was held among the students May 1, and Saturday, May 2 the entire city was given the opportunity to increase the "On to Tulsa Fund."

THE ORCHESTRA

Joliet has proved its claim to "City of Champions" once more. The J.T.H.S. Orchestra won the Illinois State Championship, for Class A orchestras, for the second consecutive year.

The orchestra did not enter the district competition at Rockford this year because they were the defending state champions, having won the title at Urbana, March 21, 1930. It was represented by soloists, who captured a lion's share of the honors, winning five firsts and three seconds.

Warren Yemm won first place in the trombone contest; Phillip Sidell placed first in the flute division; Carl Keck took first place in the bass viol section; Charles Morrow captured first place in the viola contest; and Willis Kemp placed first in the tuba contest.

Second place winners were: Albert Thomas, trumpet; Gladys Floyd, violin; and Aubrey Cheline, french horn.

The orchestra, under the direction of Mr. Hiram A. Converse, defeated Quincy, second place winner, and Springfield, and Rockford, winner of the district championship at Rockford, in the finals March 21, 1931. If the orchestra wins in 1932, it will have permanent possession of the state trophy.

The members of the orchestra received silver medals as a reward for winning first place. Mr. Converse received a gold medal, and the orchestra as a whole received a plaque and possession of the trophy for another year.

February 27 the orchestra presented its annual concert to raise funds to enable it to enter the various contests and to purchase new instruments. Approximately 1200 people attended the concert. A guest artist, Mr. Richard Biedel, Cellist, played several well known numbers.

The orchestra furnished all the music for school plays, meetings, and various other functions this year. It gave concerts before the Rotary and Kiwanis clubs and Masonic lodges. The orchestra also furnished music for many churches, YMCA and other city organizations.

THE MAY FESTIVAL

THE CHORAL DEPARTMENT

During the past few years the choral department has worked hard in making a name for itself in the school. It has done some very good work. Each year students are found among the winners in solo contests.

Excellent programs are given annually. Critics speak well of the ability with which they are presented.

The aim of this department is to teach its members to read music accurately and be able to recognize good music when it is heard. Needless to say, its members appreciate the finer types of music.

The directors of the department are Miss Isabelle Boyd, Mr. E. B. Brockett, and Mr. Albert Hindle. They chose those possessing the better voices to comprise the treble and A Cappella Choirs. Many of their members represent years of musical training.

Members of the A Capella Choir are: Sopranos: Eileen Jensen, Betty Struthers, Adeline Norberg, Lucille Kurth, Gwendolyn Wade; Contraltos: Dorothy Barr, Eloise Hunt, Catherine Yahnke, Ardis Lilya, Eileen Cousins; Tenors: Arthur Eneix, Fred Searcelli, Vernon Miller, Owen McBride, Richard Parks; Basses: Howard Kern, Willard Booth, Robert Swanson, Ralph Miller, LaVerne Chalstrom.

THE ORCHESTRA—Continued from page 110

In 1913 the orchestra was composed of 12 members; now it is a complete symphony orchestra, with a membership of 82. It has never been defeated in any contest thus far. It has won three state and one district championships in five years. It won the state championship in 1927; then it didn't enter competition until 1930 when it won the district and state contest. It won the state championship this year.

During the past year the orchestra gave a successful party and closed its musical activities of the year by playing at the commencement exercises.

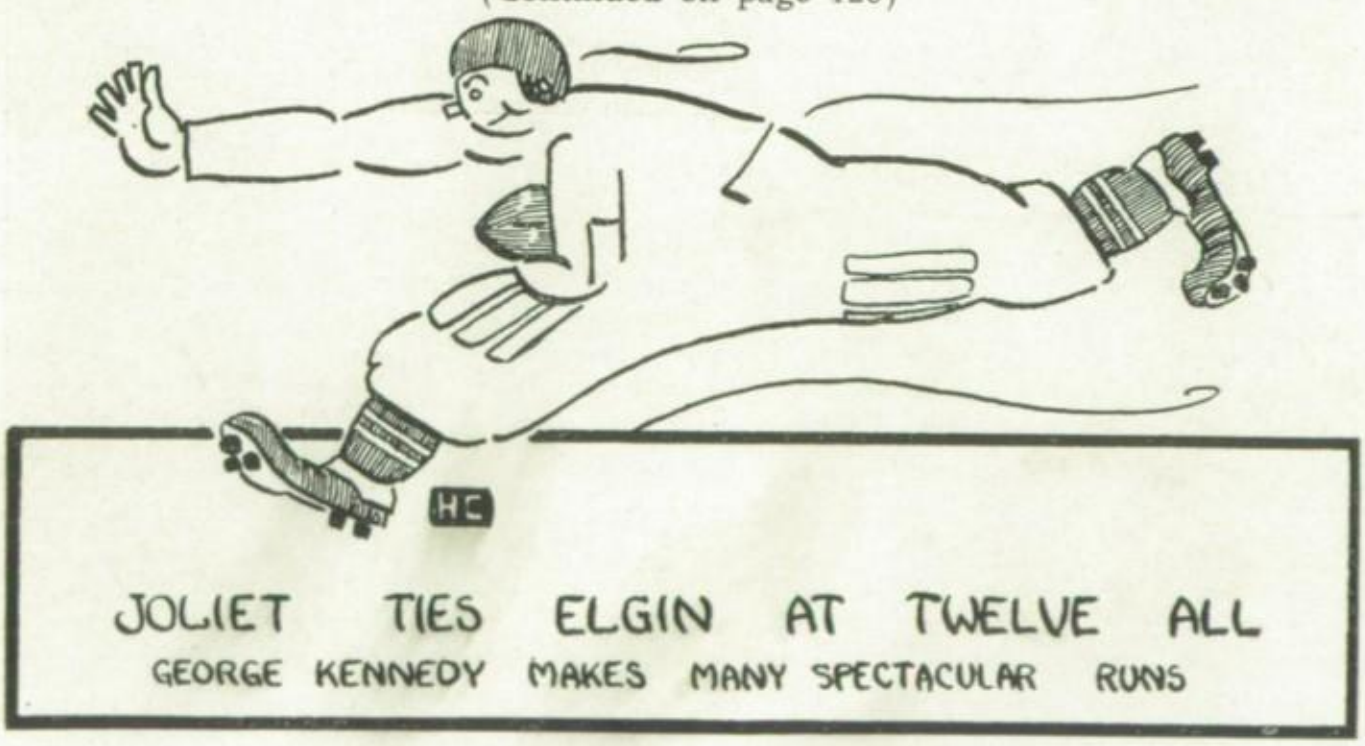
FOOTBALL

Fight and determination overcame the handicap of material, and Joliet won the respect of every school in the conference.

(Continued on page 120)



LETTER MEN

MAINA—Broke elbow in first conference game against W. Aurora. In the pre-conference games he proved to be a vicious tackler. If not handicapped by elbow should be one of best ends in conference next year.

STEPHENS—Handicapped by a broken wrist most of the season. Growing and putting on weight continually. Should be better next year. Given all-conference honorable mention. Has one more year of competition.

NELSON—On squad three years. Persistent spirit and ability to keep plugging won out for him in the end. Best game against New Trier. Ineligibility kept him out of most games.

FERGUSON—Broken ankle kept him out of all but last two games. Showed promise of being a good backfield man. Looked great in the reserve game with Elgin. Graduates this June.

ZAMKOVITZ—Inexperienced, but willing to learn. Developed into a good blocker. At peak at the end of the season. Always dependable. Graduates this year.

BOYSAW—Hard worker. Fast on feet. Won Freeport game by blocking Schmelzle's try for extra point. Graduates this June.

HOFFER—Ideal type of an end. Lacks footwork, but should have this during his Senior year. Good blocker and kicker. Great spirit.

ENGIMANN—Played center almost regularly. Powerful blocker. Making first letter by drive and determination. Lost to squad this year.

JOHNSON—Handicapped by sickness most of the season. Played good consistent brand of ball. His biggest weakness was his slowness. With two more years of competition should become a great tackle.

SEAMANS—Most consistent ground gainer on squad. Hard runner and aggressive ball carrier. Great competitor, does best in pinch. Weak defensively, but improved. Should make great college material. Last three games were his best. Ripped Elgin's great line to shreds. Second all-conference team. The kind of a player a coach hates to see graduate.

KENNEDY—One of the greatest ball-carriers Joliet ever had, it not the greatest. Great competitor, best in pinches. Played behind a green line which handicapped him considerably. Kicking and passing best in conference. His two spectacular returns of kick-offs of 90-yards each against Elgin will never be forgotten. Physical make-up only weakness. All-Conference quarterback. Last year.

ZATTAU—Most outstanding line man on squad. Miraculous pass catching against East Aurora despite playing with a wet ball. If he had another year would probably be best end developed here.

PRZYBYSZ—On the squad for the first time. Earnestness and willingness to learn were his biggest assets. Developed as season went on. Has wonderful spirit. Will be back next year.

SANDRETTO—Green, but developed as season wore on. Hard tackler and aggressive player. Will make a good half-back if he continues his stellar playing. Back next year.

WENCK—Handicapped by size. Shows promise as a freshman, but needs experience. Speed will make him very dangerous next year. Has three more years of competition.

GETSON—Good tackler, fair blocker. Inexperience held him down.

McKEAN—Aggressiveness made it impossible to keep him out of line-up. Loves the game. Injury in practice kept him out of the last three games, which handicapped the team considerably. Graduates this year.

GLASGOW—Fastest line man on squad. Best game against Elgin, which he saved by his defensive work near goal line.

FRITZ—Own worst enemy. Played both guard and center. Most versatile of linemen. If he can control his temper and direct his talent along the right line will be a great line man. Back next year.

SAVICH—Fearless tackler. Shows promise as being a good ball carrier. Is a fighter. Should be an outstanding back during next two years.

First Row—Friedrich, Sing, Farr, Patch, Hills, Hank Wykoff (Mascot), Knight, Monferdini, Spolarich, Kane, Tessiatore, Vemske.
Second Row—Capri, Dutter, Dobbs, Strappazon, Dow, Heggie, Seddon, McCauley.
Third Row—Wheeler, Lyle Gewehr, Collier, Libkie, Hutson, Pennuto, Wykoff (Coach), Belfield, Washer, Johansen, Parks, Brown, Limbacher.

LIGHTWEIGHT FOOTBALL

The lightweight football squad finished in third place in the conference, winning three games and losing two.

In all, Joliet played eight games and won five. They opened the season with a defeat by East Aurora. The next game, however, they avenged this defeat with a victory over Crystal Lake 25 to 0. Bowen traveled down from Chicago to take the heart out of the lights to the tune of 15 to 0. Joliet was outweighted, however.

The conference season opened with a 6-0 victory over Rockford. Joliet showed great improvement. Next, West Aurora was beaten 13-0. Freeport was the next victory, 6 to 0. Things looked like another championship until Elgin came along. The score was 14 to 0 with Elgin on top. Joliet still held hopes but East Aurora won for the second time, 6-0, which put Joliet in third place. But wait and see what success the next year's lightweight squad will have!

HEAVYWEIGHT FOOTBALL—Continued from page 118

Joliet finished in third place, losing to East Aurora and Rockford, both of which had the finest teams in the history of their schools. The spectacular 12 to 12 tie against Elgin, last year's conference champs, was the highlight of the season. In this game Joliet was to be beaten by three or four touchdowns according to previous scores.

With a new coach at the helm, more men out than ever before in the history of the school, and a new fighting spirit, Joliet is starting on a new football era which should see her at the top in the next three years. The athletic slogan is, "Joliet Fights."

LETTER MEN

DUTTER—Acted as captain. Has played two years and will finish the rest of his career on the heavies. Stubborn player, good tackler and blocker.

KNIGHT—All-conference tackle for second time. During his three years of play was one of the most aggressive linemen in the J.T.H.S. annals.

VARR—Has two years experience. Will probably come into his own with the ensuing season. Played quarterback. Good forward passer.

RAMIEREZ—Has two years of experience. With added weight will be a regular for next year.

VEMSKE—Player with outstanding bull-dog tenacity, who backed up the line and saved many gains.

HUTSON—Finally grew large enough to play his senior year. Was handicapped with injured shoulder. Speedy ball carrier. Lost for next year.

SEDDON—Played guard as a substitute. Has two more years ahead of him.

HILLS—A substitute who was called upon many times during the year and delivered the goods on each occasion.

WASHER—Finished his fourth year in competition as a utility man. Lost by graduation. Coach Wykoff hates to see Ed go.

DOBBS—For two years has played end, tackle, and guard. Will probably make first string next season. Good defense player and excellent interference.

DOW—Played guard for two years. Could be relied upon to do his bit at every opportunity. Lost to squad thru graduation.

HEGGIE—Played lightweight for three years. One of the best half backs this season. Will not be back next year.

SMARKER—Will class as one of the best ends in the history of lightweight football. Lost through graduation.

TESSIATORE—Played at end. Had ability of fathoming the opponent's attack. Good defensive man. Not coming back next year.

STRAPPAZAR—Played halfback. Was one of the best ball advancers in the conference.

BELFIELD—Played center. Excellent defense man. His two years lightweight competition will undoubtedly place him for his remaining two years on the heavyweight squad.

MONFERDINI—Understudy at quarterback. Will probably run the team from that position next season.

BAHR—Not a star player. When it became necessary to use his ability he did so in a creditable way.

BASKETBALL

Coach Mills built his team with two lightweights, Kennedy and Delonas, and a squad of green but determined men. They developed a fighting spirit that carried them into third position in the conference standing.

With the idea in mind that two of his best men would be lost by the nine-semester ruling, Coach Mills played a large number of men in the pre-conference games, getting experience against such teams as Streator, Oak Park, and the Illinois State School for Deaf.

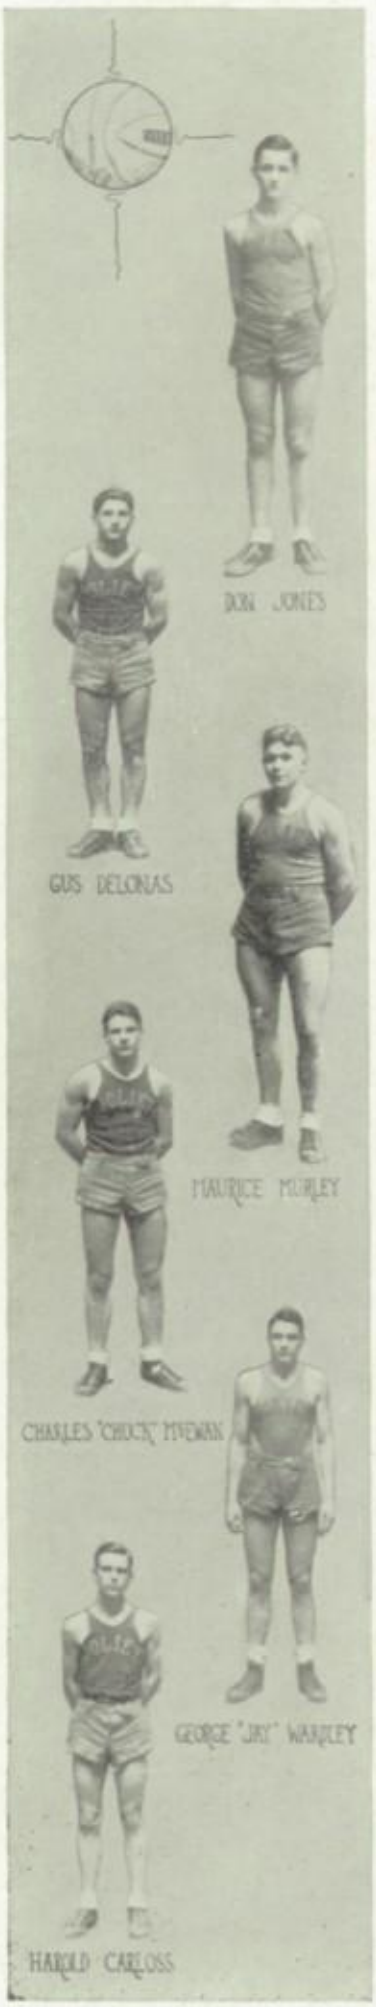
The decisive victory against Rockford, 28 to 23, practically eliminated Rockford from the conference championship.

At the conclusion of the season Wardley, a freshman, was elected captain for 1932. Smarker was unanimous choice for all-conference and the leading scorer in the conference.

Seamans, McEwan, Heggie, Smarker, Carloss, and Murley are all graduating and won their first heavyweight basketball letter. These men played great ball and should have gotten some experience in their earlier years. Next year's prospects are much better, and a fighting team under Captain Wardley will represent Joliet.

With a new coach and green material it takes time to produce championships; but without a letterman other than lightweights this year's team won twelve games, losing four of the ten games lost by the margin of one point. Next year with a more experienced team Joliet should be much better. As in football a new fighting era has just begun.

LETTER MEN



JONES—Uncanny eye for basket. Good ball handler but lacks fire and determination. Basketball smart. Is growing and improving constantly. Watch for him in future.

DUTTER—All-conference lightweight guard taken over for tournament squad. Good defensive man. Best long shot in conference. Lacks drive to the basket, but should develop that next year. Loves athletics and is a fighter. He will return next year.

DELONAS—Previous experience as lightweight. Speed galore and great fighter. Made up for lack of size by aggressiveness and determination. Flighty at times but cool in a pinch. Always fighting to win. Graduates.

HEGGIE—Gained experience as lightweight. Played every position and a very capable reserve for any position. Smart player on floor. Good spirit and loyal worker. Graduates.

MURLEY—Three years' playing experience with Minooka. Spark plug of team second semester. Hard worker. Game on Rockford's floor won him admiration of every Joliet and Rockford fan. Always in there fighting for victory. Graduates.

SEAMANS—Best driving guard in conference second semester. Proved to be a find. Has great heart and is an ideal type of athlete. If he had another year would be one of greatest guards. Great sport on and off the floor. Made second all-conference team. Will not return.

McEWAN—Co-Captain. On squad for first time. A player with no weaknesses, except inexperience. Should have played long ago. One of best defensive men in conference. Good ball handler and smooth dribbler. Good college material. Will be greatly missed next year.

SMARKER—Co-Captain. Unanimous choice for all-conference team. Second in conference scoring. Steady and dependable. Good ball handler. Equally good on defense and offense. Offense of team built around him. His five baskets in a row against Rockford turned defeat into a spectacular victory. Great college material. Graduates.

WARDLEY—Captain-elect. One of most promising freshmen to enroll here. Developed rapidly. Cool under fire and always giving his best. Will make good leader. Despite size, continually out-jumped opponents. Should burn conference up in next three years.

KENNEDY—Captain for first semester. Better on basketball floor than on football field. One of best prep athletes in Middle West. Should make any college team, if physical stamina will hold him up.

CARLOSS—Previous experience on lightweight squad. Good ball handler and best shot in squad, but lacked self confidence. Graduates.

BELTZNER—Very fast but lacked experience. Has just found himself. Look for him to lead offense next two years. Hard worker. Weak defensively, but working hard to improve it. Should be great next year.

First Row—Hutson, Lewis, Tibble, Strappazon, Knopinski, Hank Wykoff (Mascot), Poliezzi, Limbacher, Hassig.
Second Row—Ferro, Friedrich, Johansen, Golden, Spolarich, Tesiatore, Dutter, Matesevac, Foster.

LIGHTWEIGHT BASKETBALL

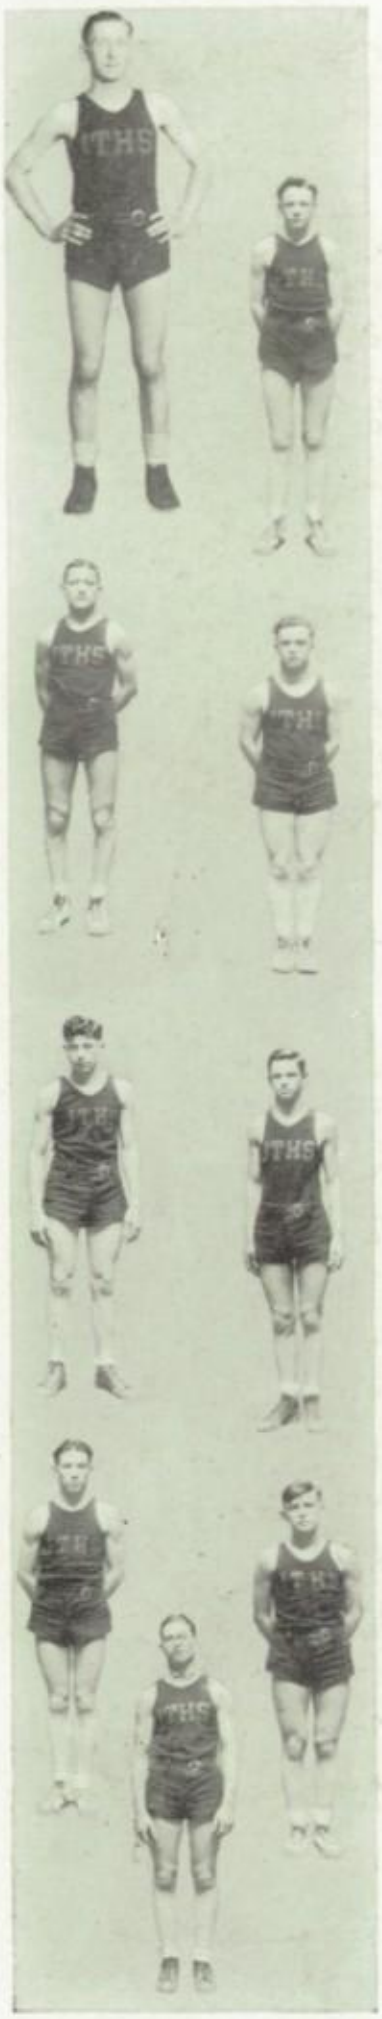
Coach Wykoff's Lights although not out in front at the end of regular conference season, won six out of their ten conference tilts. They played twenty games during the season and won most of them.

In conference matches the Lights won every game scheduled on the home floor and lost every game played away except their first match with W. Aurora. Aurora came from behind to tie the score when the gun went off. But Joliet won in the overtime 25-18. Rockford then journeyed here to take a trouncing 20-14. With a victory over E. Aurora a week later the Lights made it three conference games in a row.

But then they went to Freeport and lost a tough one. Elgin went home disappointed, for the Lights squeezed out a 23-22 victory. Joliet beat W. Aurora for the second time the following week, but Rockford made this joy short-lived for she ran wild over Joliet and won 34-16. That wasn't hard to take, for Rockford had not lost a game on her home floor for many seasons. Then E. Aurora retaliated with another defeat for Joliet, winning 16-12. Wykoff then cut most of his regulars to prepare for next year. These new green players outfought Freeport to gain a victory. It took an overtime for Joliet to edge out a 22-20 advantage. The Lights ended the season by losing to Elgin at Elgin.

With at least a whole team of letter men back for next year maybe "Wyk" can turn out another championship team.

LETTER MEN



KACHELHOFFER — Another mid-year player. Best guard the lights have had for many seasons. Excellent defensive man. Speedy offensive player.

TESSIATORE—Tessiatore played at both center and forward. Is naturally a forward but was the best jumper on the squad. Good at evading his guards and plunking in a basket now and then. Graduates.

KROPINSKI—Freshman, has three more years and with added experience will be dangerous to any team. Fair shot.

MATESEVAC—A forward, although not a star player, was a fighter. Needs only experience. Returns.

GOLDEN—Best shot in squad. Played forward. Excellent pivot man. Good at side-band shots. Fair dribbler and free-throw tosser.

HUTSON—A mid-year man. Fastest player on squad. Overweight kept him out of most of the games. Good shot at set-ups.

SPOLARICH—Even though unsteady, when playing at par is an asset to any team. A hard fighter.

FERRO—As a center Ferro got his share of tip-offs. Best game against West Aurora. Good feeder and a fair pivot man. Is cool under fire. Lost to squad for next year.

JOHANSEN—Playing at forward his best game was against Freeport. Fair at dribbling in far set-ups.

FREDERICK—Played as a guard. Best game against Elgin, here. Handled ball well and was good at recovering off the backboard. Fair advances of ball. Graduates.

TIBBLE—Held down a substitute forward position. Fair shot and is accurate when in close. Played best against Freeport. Has a stick-to-it spirit. Back next year.

STRAPPAZON—A substitute guard. Good at recovering rebounds. Fair feeder and with more experience will become first rate player. Returns.

LEWIS—Played the latter part of the season as a center and acquitted himself as a fighter. Will be back.

Note—Only those whose names are given are letter men.

THE SWIMMING TEAM

This year a new sport was introduced at Joliet High; this sport was swimming. The boys forming this team had previously been in meets under different colors other than the Blue and Gold.

The students at Joliet feel that the team experienced a very fine season, considering the fact that they won five out of eight meets. Their greatest accomplishment seems to be the defeat of Streator's crack team. Streator is the champions of the Iroquois Valley Conference, and Joliet defeated them twice.

In beating Streator the Joliet tankers broke four conference records; but they are not a member of this conference, and the time will not be official. The coaching and managing of the aquatic stars was under the direction of Roy N. Fargo, director of athletics, and Carroll Bolton, former member of the team. He and another member, Henry Morton, are graduates.

Herbert Graves was added to the squad to make up for the loss of these men. With the exception of Paul Kauffman the team will remain intact for next season, and coupled with the experience of this season, we look for a very successful season.

The following boys won their letters during the season: Bartelt, hurdles; Belfield, hurdles; Beltzner, pole vault, and high jump; DuClos, pole vault; Forneris, 440 yard run; Foster, mile run; Heggie, broad jump; Keeley, javelin; Korst, shot put; Stephen, shot and discus; Seamans, shot put; Swanson, 880 yard run; Willows, mile.

BELTZNER

An excellent athlete who ranks high in the pole vault and high jump. His best vault to date is 11 feet 10½ inches. His best high jump is 5 feet 11 inches. Qualified for state finals.

FOSTER

A sure point winner in any meet. He is a 4:40 miler and should go great in the state finals at Champaign.

THE SWIMMING TEAM—Continued from page 127

Following are the names of the men and events they took part in: Free style, Morton, Chapline, Shannon, Ben Sear, Graves, Bolton. Back Stroke: Bolton, Groth. Breast Stroke: Bill Sear, Van Zandt. Fancy Diving: Kauffman, Erickson, Van Zandt.

First Row—McKeand, Johnson, Sprague, McCowan, Richmond, Carlson, Jones, Gerkensmeyer.
Second Row—Kerr, Hamlin, Carloss, Jensen, Hoffer.

HIGH SCHOOL TENNIS

Beginning with the all-school tournament many new faces appeared for the tennis team. Instead of the usual two doubles and three singles matches with visiting schools, more matches have been scheduled, thus giving the green men much needed experience. The team possesses no stars, but by hard work has won all of its dual matches, the victims being Chicago Heights, West Aurora, Lockport, Elgin, Kankakee and East Aurora. Hyde Park's state championship squad went home defeated, the Blue and Gold winning four of the seven matches.

Facing the district tournament minus that stellar doubles combination of Barr and Austin, and without McKeand, singles champion, the outcome was problematical. However, both Joliet doubles teams, Carlson-Hoffer and Carloss-Kerr, together with Jones, sophomore singles sensation, came thru with flying colors. The state and conference meets are still ahead of the squad, and only hard, conscientious labor will bring the best of awards to the Blue and Gold. A most creditable showing has been made in the dual matches by Sprague, Gerkensmeyer, Jensen, Richmond, McGowan and Hamlin.

On May 15-16, Joliet won her first state tennis title. After five gruelling matches, Don Jones, southpaw star, emerged with the state singles title. His scores by rounds follow:

(1) Won from Powell (Bridgeport) (6-1) (6-2).
(2) Rifkind (Senn) (6-1) (6-2)
(3) Shostrom (Parker) (6-3) (6-3)
(4) Butler (Danville) (6-4) (6-0)
(5) Braun (Belleville) (6-3) (6-1)

The first doubles team of Carlson and Hoffer lost in the semi-finals to Weiss and Weiss of Hyde Park, who won the state title. Carlson and Hoffer won in the first three rounds from Staunton, Oak Park, and Harrison Tech.

INTRA-MURAL ATHLETICS

Intra-mural athletics, under the direction of Coach Becker, made its initial bow to the students of this high school in the form of a spirited basketball season. Teams were organized and assigned to two leagues, the larger boys competing in the Big 8, and the smaller ones in the Little 7. Eight boys were assigned to each of these 15 teams, and a round robin schedule was played to determine a champion. Only varsity men were barred from competition.

Well over one hundred boys of various sizes and weights developed the fundamentals of the game, received the benefits of healthy exercise, and may provide material for future school teams. The championships in the two divisions were not settled until the closing minutes of the final games. In the Big 8, the championship narrowed down to a race between 3 teams, managed by Spencer, Morgan, and Bolton. The final scores show the closeness of these games: Spencer 17, Morgan 13; Bolton 24, Spencer 22; Bolton 40, Morgan 39. In the Little 7, the race proved to be a three cornered affair, between teams managed by Sprague, Brown, and Foster. The final scores were: Sprague 37, Brown 15; Foster 28, Sprague 22; Foster 21, Brown 20. At the close of the season an elimination tournament was held between the champions of the two leagues and of the shop leagues. Spirited battles, bringing out the best in the competitors, marked the close of a successful campaign.

In its infancy, this newest branch of sport should prove to be an immense benefit to the mass of boys in this school. Provided with proper facilities and equipment, such games as baseball, tennis, football, boxing, wrestling, playground ball, volleyball, and track, should find their niche in the future intra-mural program.

WHY SHOP ATHLETICS?

"Sports for All" is the slogan of the shop athletics program of our high school. Shop athletics is another term for intra-mural athletics.

When athletics were first introduced into the schools of this country, the chief purpose was to provide a wholesome form of recreation for the masses. This end was attained to a great extent, but, as time went on, athletics became so highly specialized that the original and fundamental idea of "Sports and Recreation for All" was practically abolished. In its place, we find in our schools small groups of students tutored and coached to the highest degree in order to bring glory to their school and city by defeating like groups of other schools. While this system has its educational and recreational values and is in no way harmful to the schools and players, it forgets and neglects the fundamental purposes of athletics. It robs the masses to satisfy a rather selfish motive.

We are living in a period of reconstruction insofar as athletics are concerned. The idea of intra-mural athletics is fast regaining its popularity throughout the schools of our nation. It is only fitting and proper that the J.T.H.S. should fall in line with such a movement. This objective is being achieved in our shop program, which is strictly intra-mural in its organization and administration.

During the present year about 375 shop boys have participated in the different sports of the athletic program. Although this participation is not compulsory, but optional, the number of boys who did take advantage of this opportunity speaks for its popularity and necessity.

SHOP BASKETBALL

Basketball is the most popular sport in our athletic program. It is a sport which can be carried on throughout the winter season, which covers about four or five months.

One hundred thirty-five games were played this year. At least that many more might have been played had we had the gymnasium facilities.

Basketball was divided into a heavyweight and a lightweight division.

In the early part of the season, every boy who cared to was given a chance to play. This was done by making up teams within each shop, and a tournament run off to decide the winner within each shop. This plan proved very successful. A total of forty-two squads with seven members to each squad was represented in this tournament.

After Christmas each shop selected two squads, a heavyweight and a lightweight squad. Each team played every other team in its division. At the end of the season an elimination tournament was held, and the shop shield and letters were awarded the winners. The Machine Shop won the heavyweight division. The Wood Shop won the lightweight division.

INDOOR BASEBALL

Playground ball is another popular sport in the shop program. While the season is short, the enthusiasm is tremendous. Some difficulty was encountered in obtaining a suitable field. Approximately 85 boys participated in this sport.

The shop shield and letters were also awarded the winners.

The following program was carried out.

FIELD AND TRACK

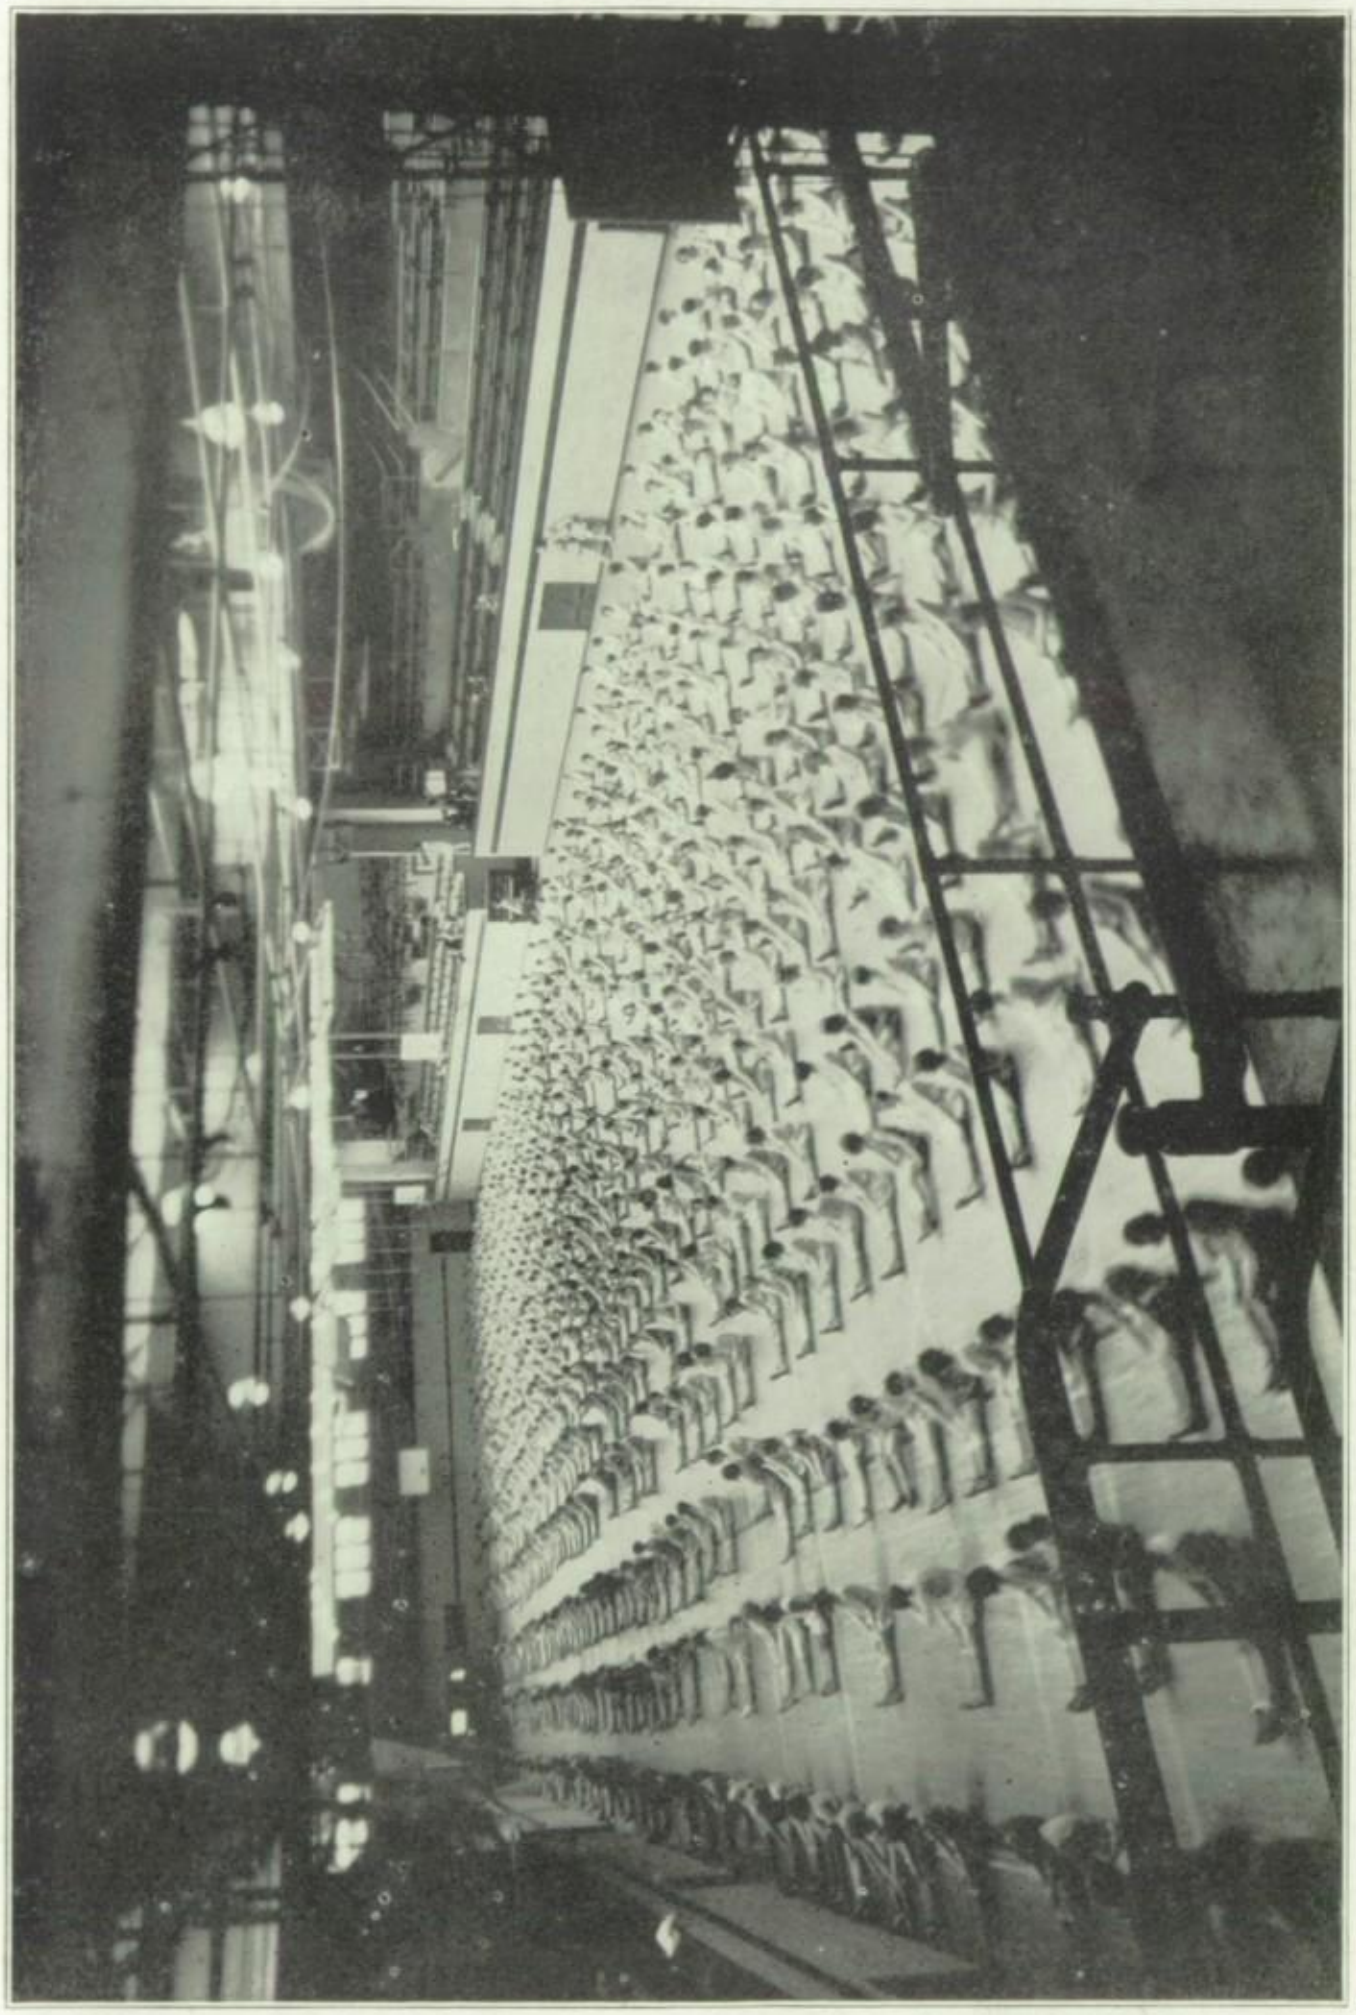
Field and Track was introduced into the shop athletic program last fall as an experiment to see if the shop boys would be interested. It proved to be very successful. While it was impossible to include all the events of a Field and Track meet in the short time we had, we feel that the effort was well worth our while as it opened another avenue for recreation for our shop boys during the early fall and spring months. Many boys who have never had much success in other sports found they had natural ability for Track work.

While it is not our chief aim in shop athletics to recruit material for varsity, in many cases it has been an incentive for boys to try out for and make good on our high school teams. A Field and Track meet will be a yearly event in the shop program from now on.

THE ATHLETIC BOARD

Every year the members of the various teams are awarded letters. This is done by the Athletic Board. Last year letters were awarded only to those who were on the football, basketball, or track teams, but this year letters were also given the swimming team. Other letters were given to the managers of the different teams, and to the cheer leaders.

The members of the board are: Superintendent W. W. Haggard, Mr. T. M. Deam, Miss Glenna Hamill, R. N. Fargo, Lawrence Seamans, Harriet Kay, Dales Bush, and Laura Sprague.



AT THE OPENING OF THE GIRLS' GYMNASIUM

THE OPENING OF THE NEW GIRLS' GYMNASIUM

Twelve hundred girls in gym suits of pastel shades performed mass exercises at the dedication of the new gym, May 6, 1931, at 8 o'clock. Folk dances of foreign countries were interpreted by a group of high school and Junior College girls.

The new gymnasium affords all modern conveniences; its size makes it possible for all classes to meet together in their work. The locker rooms include 1,125 individual lockers, 125 master lockers, and 59 showers.

The physical examination rooms, also included in the new addition, are fully equipped, and each girl, as in the past, will be given a thorough physical examination. If she is physically fit, she is enrolled in a regular gym class; if defective in any way, her attendance to the corrective gym classes will be required.

The physical education courses are so arranged that a girl can participate in any sport she desires. Baseball, basketball, hockey, track, tennis, riding, swimming, and volleyball are the major sports, while walking, tap dancing, skating, and other outside activities are minor sports.

Emblems symbolic of the sport in which the individual participates are also awarded at the annual G.A.A. banquet in the Spring.

THE TERPSICHOREAN CLUB

President ..... Alice Heath
Vice President ..... Helen Erickson
Secretary-Treasurer ..... Gertrude Johannsen
Faculty Sponsor ..... Mrs. Phoebe Ann Kirby

The Terpsichorean Club grew out of the desire of a group of girls to form a dancing club for those who had the capacity to advance faster in dancing than was possible in ordinary class work.

The aims of the club are to develop an appreciation of dancing as an art; to master the body as an instrument of beauty; and to stimulate a greater interest in finer music.

The membership is open to all those who pass the fundamentals of the dance. For those who desire membership tests are given consisting of motor control; realization and appreciation of music through movement; interpretation of music; and original dance compositions. Those who successfully pass the tests are initiated into the club with simple but beautiful ceremonies, to which the mothers of the girls are invited.

Ruth Calkins, Ray Daggett, Verna Hoyt, Florence Nadelhoffer, Nancy Sherwood, Frances Riggs, Helen Jane Fay, Eva Ohlhaver, Helen Mary Brown, Maxine Roehl, Caroline Huey, Judy Baumgarner, Miss Westendarp, Louis Boos.

HIGH SCHOOL HORSEBACK RIDING

A horseback riding club has been organized by Miss Westendarp. Miss Helen Mary Brown is president of the organization. The club meets every Monday, Wednesday, and Friday night at the Woodruff riding stables.

The YMCA swimming pool and gymnasium are open to the girls one day a week, and classes in all types of swimming and gymnastics are available to the members.

The G.A.A. Freshmen were welcomed into the association at an unique party held in the early Fall. Ethel Scotland was chairman. In keeping with the athletic idea of the association, a Sport Dance, planned by L'Marie Marwick and Louise Carlson, was held in April.

HOCKEY

Over 150 girls, divided into eleven teams, composed the hockey squad this year. The first tournament was played on the campus, and the Junior Jinx were the victors. The Inter-Class elimination tourney was won by the A Freshman team, defeating the Junior team 1-0.

The teams and their captains are as follows: "The Freshman Fighters," C. Hartley; "The Freshman Flyaways," D. Benson; "The Freshman Fleets," Jane Huey; 'The Fresh Freshies," L. Fritz; The Sophomore Team, C. Schwartz; "Junior Jinx," C. Huey; "Junior Jump-Ups," E. Hunt; "Senior Hawks," E. McCambridge; and "Senior Snaps," D. Haslett.

JUNIOR COLLEGE CLUB

JUNIOR COLLEGE CLUB

President ..... Stewart Hutchinson
Vice President ..... Thomas Conroy
Secretary-Treasurer ..... Arnold Hartman

No time was wasted this year by the club. The first meeting was held Monday, October 6, 1930. At this meeting the president introduced as speaker Miss Florence White Williams, who is a painter, illustrator, writer, and teacher. She gave a very interesting talk on the subject, "Art Travelogues of Spain and Portugal."

On November 3 the club sponsored a program of home talent. Mr. Larson was the faculty advisor. Mr. C. K. Turman, former faculty advisor of the J.J.C., was present and played many college songs which the audience sang.

The next formal meeting was held February 3, 1931, at which John Oaron, a native of India and now a student at Northwestern University, lectured on "Native India and Ghandi."

On February 6 a short business session was held by the College Club Board, at which an appropriation of $25 was allowed from the Junior College Club Funds to be paid to Carl Sandburg, who spoke at a college assembly.

The March meeting was held as usual, the first Monday of the month. Mr. John Parks, a student of the University of Chicago, told the club of his experiences while on the MacMillan Arctic Expedition. His talk was accompanied by motion pictures.

Delores Kelly and Miss Lena Dickinson were given charge of the April meeting which was held in the high school auditorium. Three interesting one-act plays were given. The first was a German play under the direction of Miss Myra Mather, the next a French play by Madame Babcock, and the third was an English play directed by Miss Lena Dickinson.

The club closed its eventful year by holding its annual picnic.

The liveliest organ of school interest in the past year has been the J.J.C. news sheet, "The Blazer." Aroused from its rest during the summer months, it took on a new staff and new enthusiasm under the leadership of Rae Shannon. Eight issues appeared during each semester and were eagerly anticipated by students and alumni alike. At the beginning of the spring semester, Herbert Trackman assumed editorship and spurred the staff members on to visions of a larger and better paper. Accordingly the third issue was enlarged to a four-column sheet, giving more space to news and feature material. Many times the struggle was hard to keep the paper to its newly acquired size, but, through the willing co-operation of all the staff, its standard was maintained.

"The Blazer" was sponsor of a Circus Dance, given last October in the lunchroom as a booster of "Blazer" activities. A few weeks later it was represented at a meeting of the National Scholastic Press Association at Cleveland, Ohio. "The Blazer" has since then become a member of that organization.

"Resolved: That the chain store systems are detrimental to the best interests of the American people," was the subject debated on by the club this year.

At the first debate held this year with Morton Junior College of Cicero, the affirmative won, but the negative lost by one point. In the Triangle Debate which includes Joliet, Thornton, and LaGrange Junior Colleges, Joliet's affirmative side lost to Thornton while LaGrange won from our negative side.

A pin was given to the members of the club by the school as a reward for their efforts which they had put forth to make the club a success.

The advancement of the club was due to the excellent coaching of Mr. W. L. Meyers, their faculty advisor.

THE JOURNALISM CLUB

The Junior College Chapter of the Journalism Club was organized to give instruction and entertainment to those students who were interested in writing for publication. The membership is composed of members of the BLAZER staff, and all other students in Junior College interested in Journalism. A banquet, held in conjunction with the High School Journalism Club, was a great success. The officers of this active organization are: Herbert Trackman, President; Jessie Greenshields, Vice President; Ethel Johnson, Secretary; Clifford Stange, Barbara Broughton, and Thomas Conroy are members of the Board of Directors.

The club, Feytel XI, was organized by the second year French students during the month of September, 1930. It was at the second meeting that the officers were elected.

There were two principal events during the year in which the club took an active part. The first, an informal tea, held at the Chamber of Commerce on December 16, 1931, in honor of the Bantez-en-Avant, the first year students. The Feytel XI Club officiated as hosts and hostesses. During the course of the tea an entertainment was provided for the guests. French songs were sung and toasts were made. After the entertainment, music was provided and the remainder of the time was spent in dancing.

The second event was the French play, "Marraine du Guerre," enacted April 13, 1931, for the College Club in the high school auditorium. The characters taking active parts were:

Bantez-en-Avant, the first year French Club, was organized in the fall of 1930. At the time we wondered what it was all about (some of us still do), but since then we have learned to conduct meetings and converse in French.

Our favorite pastime was singing songs, especially Cadet Ranselle, which will always linger in our memories; much more since we have been singing without a piano and had no idea of the tune. Our faithful sponsor, Madame Babcock, persevered, however, and it is to her efforts that we owe the success of the club.

Other interesting features of our club meetings were introducing people, playing French games, and writing poetry.

We were entertained most graciously the first semester by the second year French club, at a dance at the Chamber of Commerce. Soon after, we presented our play "La Galette des Rois".

J. J. C. BASKETBALL

The success of the past basketball season is due to a combination of fortunate situations that is seldom present in any one athletic season. Good basketball material is of little use unless the players are willing to forget past individual performances and work as a unit. The material this year was good, but the spirit was better. A basket was Joliet points --- not the points of the one who made it. Every player was a feeder as well as a basket shooter. Every guard was a forward, and every forward was a guard. There were five defensive men when the opponents had the ball --- no one fell down on his assignment. The will to win was never better exhibited than in this year's College squad.

The interest of Mr. Yaggy and the college teaching staff helped develop a school spirit in the team. In behalf of the squad I wish to thank our dean, Mr. Yaggy, the college faculty, and members of the athletic department for their interest in this year's championship team.

—Coach Wills.

TOM CONROY, Tom—The other veteran on the squad. A fine shot and a deceptive dribbler. Ten points a game was his quota.

AL HODGE, Al—Our big forward who used his size to advantage. He got the ball on most tips from center or from held balls. Was the best follow-in shot on the squad.

BERNARD WARD, Bud—He saved us at Lisle and at Normal. His corner shots were heard around the conference. He will be counted on a lot next year.

GORDON ELLIS, Gord—Our all-conference center. He was always in the game. His fast break scored many baskets for Joliet. He was a good passer.

CAPT. COHENOUR, Ernie—A ball hawk. First used at center and then shifted to a guard position during the second game of the season. As good as any guard in the conference.

FRANCIS FLANNIGAN, Pat—A familiar figure on the high school floor. He was a hard driving forward who went good the first part of the year. Will be a regular next year.

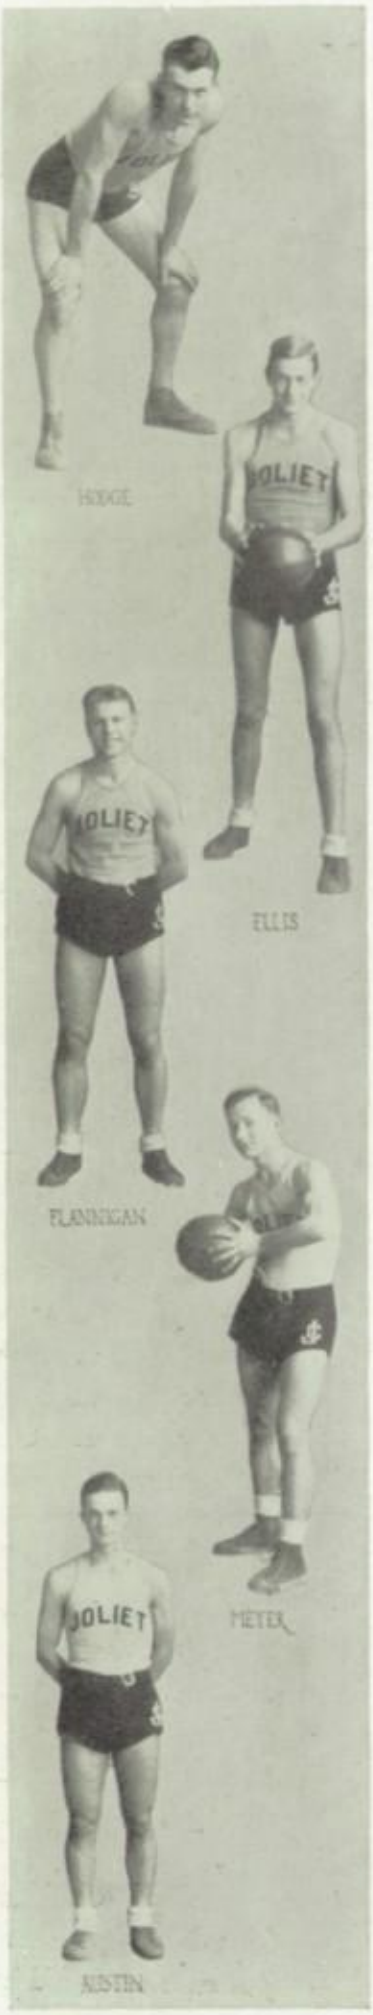
WILLIAM CARLSON, Bill—A roamer from Morris. Bill helped us a lot in our drive for the championship. Was a good shot and a driver. A clever handler of the ball.

MEYER, Mike—A fighting guard from De LaSalle. Mike will play a lot next year. He is a hard worker and a cautious player. Will make baskets if he shoots.

ALEX STEWART, Abadaba—A good guard and an excellent long shot. His specialty was a high arch shot from the side. He had a slow deceptive dribble.

LLOYD AUSTIN, Bud—A small shifty forward. A hot shot but handicapped by his lack of size. He will take Tom's place next year.

MARTIN JACKSON, Skippy—The only guard in the conference receiving unanimous selection. A dead shot from back of the free throw circle. A clever guard, seldom faked out of position.



COLLEGE BASKETBALL

JOLIET 30 --- LISLE 19

Coach A. A. Wills' Joliet Junior Collegians began their journey toward a Northern Illinois Junior College conference basketball championship by defeating Lisle, 30 to 19, on the Joliet floor in a game that was featured by the scoring work of Flannigan, Conroy and Ward, who made a total of 25 points.

JOLIET 37 --- LYONS 32

Conference victory No. 2 was registered by Joliet on the LaGrange high school floor in a hectic 37 to 32 battle. The local basketeers were leading 27 to 14 at the end of the first half, but were forced to the limit to keep their lead in the final period.

JOLIET 48 --- MORTON 36

Joliet's superior height was a factor in winning the Morton game on the local floor, 48 to 36. The first half was close, with the score being tied at 14-all on one occasion. The half ended 28 to 21 in Joliet's favor, and the effective scoring of Conroy, Ellis and Stewart discouraged the Morton collegians in the last half.

JOLIET 37 --- CONCORDIA 13

River Forest was the scene of Joliet's fourth victory in the Northern Illinois Junior College league. Coach Wills' cagers, firing away with much accuracy at the basket, overwhelmed the Concordia college team 37 to 13. Joliet's heavy scoring duties were almost evenly divided among Conroy, Carlson, and Ellis.

JOLIET 25 --- CHICAGO NORMAL 14

After playing a slow game in the first half, which ended with the locals on the undesirable end of a 12 to 11 score, the Joliet players opened up in the second period with 14 more points and at the same time held the Chicago Normal quintet to two lonely free throws. The game was played on the Chicagoans' floor. Ward was the star of the game, scoring 9 much needed points in the second half.

JOLIET 50 --- CHICAGO NORMAL 18

In a return game on the local floor the Joliet cagers trounced Chicago Normal 50 to 18, running up a 19 point lead in the opening period and coasting to their sixth consecutive conference victory in the last half. Coach Wills brought his entire squad into play in this game, with the exception of Ellis who was laid up with the flu. Only two Joliet players failed to get at least 3 points apiece during the game.

JOLIET 25 --- LISLE 18

In what was probably the scrappiest game of the season the Joliet cagers beat Lisle college on the Lisle floor, 25 to 18. The Lisle team led during the first part of the contest, and after Joliet had passed them up, threatened on several occasions to outscore the locals and walk off with a victory over the undefeated Joliet team. Only the determined spirit of the Joliet players who plunked in baskets when baskets were needed kept the Lisle collegians from doing this very thing.

JOLIET 55 --- LYONS 18

Coach Wills' men registered their most overwhelming victory of the season in winning their eighth straight conference game from Lyons 55 to 18, on the Joliet floor. The contest was a monotonous affair with the locals running thru

First Row—Flannigan, Beecher, Brown, Stewart, Sing.

JUNIOR COLLEGE BASEBALL

Baseball prospects seem bright as twenty candidates practice daily under the direction of Coach Wills. A hard schedule of sixteen games has been arranged with only four conference tilts on the card. Several new schools appear on the schedule, making it the most attractive season the college has had for some time. Valparaiso University, St. Viator, and Northwestern appear in home games.

With only one letter man back, Cohenour, first baseman, the task of winning must necessarily fall on the first year men. The outstanding yearlings are Ellis, Ward, pitchers; Flannigan, Beecher, Myers, Hodge, and L. Sing, infielders; Stewart, Catcher; Hunter, Hoffer, Ross, and Eddy, outfielders. Last year's men who had some experience besides Cohenour are: V. Sing, catcher; Brown and Bush, outfielders.

Two games with Washburn College opened the season and resulted in a victory for each school. The lineups of the two games was as follows: Myers, Hunter, Flannigan, Beecher, Ellis, Cohenour, Stewart, V. Sing, Bush; Second game lineup: L. Sing, Hunter, Flannigan, Beecher, Stewart, Hodge, Brown, Austin, Ward.

The Junior College Baseball schedule includes games with the following schools: Washburn (2 games), Valparaiso University, St. Viator, Crane, Morris Conocos, Concordia, Northwestern, Aurora College, Valparaiso U., Chicago Normal, Morton, Morris, St. Viator, Lisle, Crane, Aurora College.

First Row—K. Powell, G. Henderson, C. Van Horn, Howk, Blogg, Austin (Captain).
Second Row—Becker (Coach), Baumgartner, Hamlin, Baskerville.

COLLEGE TENNIS

Fourteen dual matches are on the schedule for this year's net squad. The college men participated in a school tournament separate from the high chool and out of this competition the squad was temporarily picked. Three doubles combinations, Austin-Baumgartner, Howk-Van Horn, Bloggs-Baskerville; and six singles men, Capt. Austin, Baumgartner, Powell, Carter, Henderson and Hamlin, comprise the squad.

Present indications are that this squad will make a most creditable showing. Matched against Morton, Lisle and Aurora colleges, these boys have won fifteen straight matches, most of them in straight sets. Against DeKalb Teachers they triumphed in eight out of nine matches. Conference competition with North Park, Normal, Harvey, Lyons and Concordia, besides home and home meets with Crane and Valparaiso, form the remainder of the schedule. The goal, ever to be kept in mind, is the conference championship, and it is possible because of the friendship and harmony of the squad members.

Zalar, Stoltz, Conroy, Camp

COLLEGE GOLF

The Joliet Junior College Golf team is composed of Tom Conroy, Captain; Tom Camp, Dick Stoltz, and Hubert Zalar. The first match was won from Lisle 6½ to 5½, played at Woodridge. The next meet played on the Woodruff fairways with Thornton of Harvey resulted in a tie. Further matches are with Chicago Normal, Morton, and Valparaiso. An individual conference tournament will be played on May 22. As the whole team shows a very promising future, a championship trophy is the least expected.

plays and raining in buckets from almost every spot on the floor. Lyons was held to 9 points in each half. Ellis and Jackson led the Joliet bombardment on the basket.

JOLIET 39 --- MORTON 28

In their ninth conference game the Joliet players defeated Morton college in comparatively easy fashion on the foreign floor, 39 to 28. With the exception of the first few minutes of the opening half the locals led all the way in this game. A good passing attack aided Joliet in outscoring the Morton collegians.

JOLIET 35 --- CONCORDIA 18

The basketball championship of the Northern Illinois Junior College conference became a certainty when the locals terminated their league season on the home floor by taking Concordia college into camp by a 35 to 18 score. Joliet, using a cautious passing attack, which improved as the game progressed, took plenty of time in making shots at the basket with the result that most of the target shooting experiments proved successful. The whole squad took part in this game which ended with Coach Wills' Joliet team still undefeated after playing ten games in the race for the league title.

WOMAN'S ATHLETIC ASSOCIATION

President	Eleanor Carlson
Vice President	Betty Groth
Secretary-Treasurer	Alberta Hardy
Faculty Advisor	Miss Dorothy Westendarp
Social Committee Chairman	Lillie Anderson

The two fundamental purposes of the Woman's Athletic Association are to promote good sportsmanship, and to develop an interest in girls' athletics. Every girl enrolled in the College is a member of the W.A.A. Fifty girls showed active interest in the various sports this year.

A small JC is awarded to girls earning 450 points, according to the W.A.A. point system, and a large JC emblem is awarded girls having 600 points. Points are won by activity on organized teams, proficiency in gymnasium work, athletic leadership, and participation in the minor sports. Hockey, basketball, field and track, tennis, golf, horseback riding, and swimming are major activities. The minor sports include tap dancing, hiking, volleyball, and other outside activities such as bicycle riding, ice and roller skating.

Many social affairs, as well as athletic activities, are given by the organization. Early in the fall, members of the association have a steak fry in Pilcher Park, when new members are welcomed into the group. This year Eleanor Carlson and Lillie Anderson sponsored this delightful outing. A party for girls alone is given once a year. This year a W.A.A. bridge party was given December 18, 1930, in the girls' gymnasium, by an efficient committee composed of Barbara Broughton, Lillie Anderson, Ila Bishop, Alberta Hardy, Louise Steinbeck, Louise Schmekel, Beulah Green, and Betty Robertson.

A dance is given each year by the organization. This year the W.A.A. entertained the Junior College Champion basketball team at a delightful Spring Sport dance in the lunch room, Friday evening, March 20, 1931. Dancing and bridge were the main diversions of the evening. In the middle of the evening, Miss Betty Groth, vice president of the W.A.A., presented the players of the team with tokens of appreciation for their successful season. The gifts were leather key cases. Coach Wills made a short speech commenting on the basketball season and thanking the association on behalf of the team for the gifts. The committee in charge of the dance consisted of Marion Young, Beulah Green, Betty Groth, Evelyn Anderson, Bernice Wells, and Ruth Schultz.

DORIS EIB
A guard who played a steady game;
"Play square" has always been her aim.
In hockey too, this girl did shine,
Her place was in the forward line.

BEULAH GREEN
As forward she did do her bit;
At point scoring she made a hit.
In tennis too, so we are told,
This girl is worth her weight in gold.

BETTY GROTH
A guard who gave her best, her all,
In every game of basketball.
And riding is her favorite lark,
Around the paths in Pilcher Park.

DOROTHY HASLETT
A faithful captain is our Dot,
At shooting baskets she's sure hot;
At tennis too, she is a star,
Her playing's far above the par.

DOROTHY HAUSSER
She plays in all positions well;
What she plays best is hard to tell.
In tennis she's a worthy foe;
Ask her opponents; they all know.

BERNICE PERISHO
A guard who's motto is "Play fair"
Teammates like her are few and rare.
In hockey games she plays full back,
And vim and vigor ne'er does lack.

CATHERINE RYAN
A guard quite tall and full of fun,
Who sticks until the final gun.
And Irish jigging's her delight;
At this she'd stay from morn till night.

RUTH SCHULTZ
As forward seldom on the floor,
But always seen akeepin' score.
And out in Pilcher you can see
Her often riding on "Ole."

CLARA SCHUMM
A faithful guard is this fair maid;
Of good stiff games she's not afraid.
An Honor student is this lass,
She's at the top in every class.

LOUISE STEINBECK
A forward tall, with deadly aim,
Dependable in any game;
She does her best in tennis too,
A perfect sportsman through and through.

PHYLLIS TYACKE
As guard, foe's records she has spoiled,
Opponent's tricks she's often foiled.
In tennis too, her skill she shows,
Is liked by all where'er she goes.

BERNICE WELLS
As forward, center, or as guard,
You always find her playing hard.
A dancer clever as can be,
Just see her once, and you'll agree.

The dancing classes and Terpsichorean club did a scarf dance, Highland Fling, and Dutch dance, while the College girls presented four folk dances. The folk dances were taught in the gym classes. Catherine Condon taught the Irish Jig to a group of girls, and Miss Boyd aided the French group by practicing their songs with them. Each girl made her costume. The dancers were in four groups. A small group of girls were interested in riding this year. They had many memorable and enjoyable rides through the bridal paths in Pilcher Park. A steak fry and several cross country rides were also occasions. Miss Westendarp sponsored the following group of girls: Lois Delander, Leona Larking, Betty Groth, Verna Bailey Hoyt, and Ruth Schultz. Louis Boos and Ray Daggett taught the members the fundamental principles of riding and added to their pleasure whenever possible. The favorite horses of the group are Black Squirrel, Red Raven, Mary K, Black Diamond, Kentucky, Ole, and Mack.

SPRING SPORTS

Basketball, tennis, and field and track are the spring sports. It is too early in the season to state just what program will be followed, but Miss Westendarp is teaching tennis strokes in the gym classes, and Margaret Morrison will captain the baseball team this year. Many girls are planning to enter the tennis elimination tournament scheduled for the third week in May.

AWARDS

This year three girls will receive W.A.A. awards. Irene Howell, Leona Larking, and Ruth Schultz will receive small JC awards. Ruth Schultz will also receive her large JC emblem.

ROMANCE AND REALITY

SOMETIMES, when you turn the pages of a book, your mind is seeking romance. You long to leave a too-familiar world . . . to travel with the speed of thought to far-off purple lands . . . to bathe in tepid, lotus-scented surf.

But your Herald-News finds you in a more practical mood. Interested in the news about real people, in the facts of the day. Looking for news of things that you may buy and enjoy — *here and now.*

You may find in the advertisement just what you want in the way of a smart new dress or suit, a new radio, or an improved face powder. If the thing fits into your living, is practical and possible and promising—you are vitally interested. Because you are reading about yourself!

Today, a great many things that were romantic dreams only ten years ago are common realities. Life has more color, more charm, more adventure. And the things that give it all these may be found in the advertising columns of your Herald-News.

Advertising discusses realities — romantic ones often enough — but actual articles *you* can have for your own, new joys for *your* home, stepping stones to *your* happiness.

The advertisements in your Herald-News are written for you. They are real. They are reliable. Take their advice.

A GOOD PRACTICAL EDUCATION
THE BASIS OF SUCCESS

Every prudent father and mother is anxious to give their children the best possible start in life. A practical well balanced education is considered essential. This can be accomplished right here in Joliet in the High School and Junior College. While the youngsters are growing up through the grade schools the parents can save enough to put them through in good shape. But it should be done systematically in our **Savings Department.**

Come in and let us show you how it can be arrranged.
